Next to the Lone Pine was the old County Shop. It was on part of the property now occupied by the Wetmore Baptist Church. There was also a small house west of the county shop. This is at the corner of State Highways 96 & 67.

Around the corner on Highway 96 to the south are 3 houses. I do not know the addresses on these house but listed them from north to south

The first one was owned by:

Bud & Alma Martin

Alma Hermance

The second house, I remember occupants:

David & Cathy Cruickshank

The third house, I remember:

Harlan & Ann Hartung

Roger & Terry Williams
