To remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood, and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for several days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequaled. For sale by J. A. Merriam.

INTEREST is being displayed in the use of smokeless powders and jacketed bullets in large calibre rifles. A 45 calibre bullet weighing 500 grains gives a shock to large game that the small bores can not always be depended on for. Marlin Model 1895 Repeaters have "Special Smokeless Steel" barrels. For up-to-date information see our catalog. Mailed for 3 stamps.
